The background of the entire page is a photograph of a large, modern lecture hall. The hall is filled with rows of blue upholstered seats, each with a small wooden desk attached to it. The seating is arranged in a semi-circular or tiered fashion, facing towards the front of the room. Large windows on the left side of the hall provide natural light. At the front, there is a stage area with a large projection screen displaying a presentation. A podium with microphones is visible on the right side of the stage. The overall atmosphere is professional and academic.
